

GGN WORKING GROUPS

THE LEGAL FRAMEWORK

According to the GGN Internal Rules and Regulations the GGN Working Groups, GGN Task Forces and GGN Committees are Technical Committees:

"Article 5 -TECHNICAL COMMITTEES All committees, task forces and working groups will be referred to as "Technical Committees".

The GGN Executive Board may establish Technical Committees; defines their mission, term of office, membership and their duration.

Technical Committees have a maximum four (4) years term, after which time they will be automatically dissolved, unless a renewal decision is expressly taken.

The President of GGN shall appoint a Chairperson in consultation with the Executive Board and shall appoint the members of each Committee in consultation with the Chairperson of the aforementioned Committee.

The Chairperson of each Technical Committee submits its annual report to the GGN Executive Board who will report to the General Assembly.

PROPOSED STRUCTURE OF GGN WORKING GROUPS

Each GGN WG should be composed by not more than 9 - 11 people.

A GGN WG should be composed by GGN Members having proven experience on the subject.

GGN WG members should have broad geographical distribution.

The main goal of a GGN WG should be the coordination of activities at the global level (on a specific subject), coordination of exchange of ideas and best practices, proposal of new regulations and concepts.

A GGN WG should:

- encourage the activities of similar working groups at the Regional level where broad participation is welcome.
- submit to the GGN ExB an annual report of activities.
- have a limited duration.
- communicate with all GGN members the activities and results
- disseminate through GGN website information about their work to all GGN members
