

A new dawn for all of us...
Living the 2030 Agenda for Sustainable Development. Worldwide.

UNESCO Global Geoparks:
 Learning from the past, developing the present and
 preserving for the future - together for our planet.

How can I act sustainably in my everyday life?

MY PERSONAL CHECKLIST

- Create blooming meadows instead of stone deserts
- Buy not more than I consume
- Buy regional and seasonal
 - Prefer walking and biking whenever possible
- Avoid plastic and packing material
- Do not buy everything new
 - Eat less meat - and if- from ecological farming
- Enjoy regional holidays
