

CURRICULUM VITAE

Guy MARTINI

French Nationality
Birth date : 15/10/1955
Tél. : 33 679 87 36 22
E-mail : guy.martini@hotmail.com
Adress : 4, Rue de l'hubac
04000 Digne les Bains (France)

PRESENT REPRESENTATIONS

- UNESCO Global Geopark Council Chairman
- General Secretary Global Geopark Network Association
- International expert Global Geopark.
- European Geopark Network Advisory Group member
- Fangshan Geopark Senior Advisor

PAST REPRESENTATIONS

1991: General Secretary of the 1st International symposium on the conservation of the Geological sites organized under UNESCO auspices which has launched the "International Declaration of the Rights of the Earth's Memory"

1980-2003: President, The National Commission of Natural Geological Reserves.

1987-1998: National Expert, The Geological Heritage & Geo-Conservation (Ministry of the Environment).

1988-1998: Member, The National Committee for Nature (Ministry of The Environment).

1995-2000: Bureau Member, Various National French Parks -Ecrins, Mercantour,...,1995-2000.

PERSONAL SKILLS

- International experience in Geo-Conservation and Geoparks (Founder member of European Geopark Network); in addition to developmental strategies for sustainable economical development of territories based on their heritage possibilities.
- Important experience in communication (around Environment, Earth Sciences and Culture topics).

- Experience in directing multidisciplinary teams.
- Experience in the management of public funds and fund raising at different levels (entities, national, regional, European Community, private sector, World Bank).
- Experience in network development and networking at the national and international levels.
- Experience in the identification, development and management of international programmes, specifically within European Commissions. For example: LEADER II 1998–2001, "Development of Geo-Tourism in Europe", Global Programme, 1,5M Euros; INTERREG IIC 1999–2001, "Solidarity Programme Between Natural Protected Territories for a Sustainable Development of the Territories by the Heritage Valorisation and Geo-Tourism", Global Programme, 500.000 Euros. Additionally, contacted and negotiated with European Commission members and with agencies (Executive Agency for Competitiveness and Innovation (EACI), Education, Audiovisual and Culture Executive Agency (EACEA), European Research Council Executive Agency (ERC), European Environment Agency (EEA), Direction Générale de Développement (cooperation EU-international)
- Strong International experience (Projects, strategy and negotiations): China, Japan, Vietnam, Brasil, African continent, South America, etc..
- A strong sense of responsibility, used in combination with contacts made and in political negotiations at high levels, highly organized, voluntary, enterprising and excellent command of communication skills. Great adaptability to adverse circumstances.

ANNEX 1 : ACTIVITIES WITHIN EGN AND GGN 1999–2016

ACTIVITIES EXCLUSIVELY RELATED WITH GEOPARK ACTIVITIES (1999-2016)	
	Participation meetings, conférences EGN + GGN + APGBN
	Validation or revalidations UNESCO/GGN missions
	Geoparks support missions, courses, workshop, etc...
1999	
France	Haute Provence- organisation of the 1st Geopark project preparation meeting
Greece	Lesvos- participation in the 2 nd Geopark project preparation meeting
Spain	Maestrazgo- participation in the 3rd Geopark project preparation meeting
	Management of the EU program for Geoparks
2000	
Greece	Participation in the establishment of the European Geopark Charter
Spain	Maestrazgo- Participation in the 1st annual meeting of Geoparks
Spain	Constitution of the candidature dossier for Cabo de Gata Geopark
Germany	Participation In vulkaneifel Geopark opening ceremony
France	Paris- participation in several meetings related with Geopark creation
France	Astrobleme- Mission support for Rochechouart Astrobleme Geopark
2001	
Spain	Participation in the signature of the UNESCO/EGN convention
Greece	Participation in the 2 nd EGN meeting (Iesvos)
France	Paris- participation in several meetings related with Geopark creation
Spain	Constitution of the candidature dossier for Cabo de Gata Geopark
2002	
Italy	Madonia- Participation in the 5th EGN meeting
North Ireland	Fermanagh- participation in the 6th EGN meeting
Austria	Kamptal – participation in the 3th EGN meeting + 7th CCEGN
Spain	Constitution of the candidature dossier for Cabo de Gata Geopark
2003	
Germany	Terra Vita- Participation in the 8th CC EGN
Germany	Eisenwiurzen- participation in the 9th CC EGN
Greece	Psiloritis, Participation in the 4th EGN meeting + 10th CCEGN
2004	
Italy	Rocca di Cerrere- participation in the 11th CC EGN meeting
France	Haute Provence- Organisation of the 12th CC EGN meeting
Italy	Madonia- Participation in the 5th EGN meeting + 13th CC EGN meeting
Italy	Revalidation mission of Madonia Geopark
China	Validation mission of Shilin Geopark
2005	
Germany	Bergstrasse- Participation in the 14th CC EGN meeting

Ireland	Copper Coast- Participation in the 15th CCEGN meeting
Greece	Lesvos- Participation in the 6th EGN meeting + 16th CCEGN
2006	
UK	Validation mission for English Riviera Aspiring Geopark
UK	North Pennines- participation in the 18th CC EGN meeting
Ireland	Belfast- Participation in the 2 nd International conference on Geoparks
Spain	Validation mission on Subbeticas Aspiring Geopark
2007	
Germany	Vulkaneifel- participation in the 19th CC EGN
UK	NW Highlands- participation in the 7th EGN meeting + 20th CC EGN meeting
Malaysia	Langkawi- participation in the First APGN meeting
Austria	Revalidation mission in kamptal Geopark
2008	
Italy	Beigua- Participation in the 21th CC EGN meeting
Germany	Osnabruk- participation in the 3rd international conference on Geoparks
China	Revalidation mission of Daixiashan Geopark
China	Revalidation mission of Zhangjajie Geopark
Brazil	Support mission for Araripe Geopark
Brazil	Participation oin the Geopark conference Fortaleza
Marocco	M'goun aspiring geoipark validation mission
2009	
Italy	Sardinia- participation in the 23th CC EGN meeting
Portugal	Naturtejo- participation in the 8th EGN meeting + 24th CC EGN meeting
China	Revalidation mission of Hexingten Geopark
Greece	Lesvos-participation in the Geopark intensive course
2010	
France	Luberon- participation in the 25th CC EGN meeting
Greece	Lesvos- participation in the 9th EGN meeting + 26th CC EGN meeting
Malaysia	Langkawi, participation in the 4th UNESCO GGN conference
Norway	Revalidation mission of Gea Norvegica Geopark
Spain	Representing EGN in the Basque Coast Geopark opening ceremony
Korea	Support mission for Jeju Geopark
China	Revalidation mission of Fangshan Geopark
Brazil	Revalidation mission of Araripe Geopark
Brazil	Participation in the 1st conference of Geoparks in South America
Greece	Lesvos-participation in the Geopark intensive course
2011	
UK	Forest fawr- participation in the 27th CC EGN meeting
Norway	Gea Norvegica- participation in the 10th EGN meeting = 28th CC EGN meeting
Portugal	Arouca- participation in the International Geopark and Geotourism

	conference
Vietnam	Participation in the 2 nd APGN meeting
Brazil	Validation mission for Quadrilatero Aspiring Geopark
Vietnam	Support mission for Dong Van Geopark
2012	
Spain	Subbeticas- participation in the 29th CC EGN meeting
Portugal	Arouca- participation in the 11th EGN meeting + 30th CC EGN meeting
Japan	Unzen- participation in the 5th UNESCO GGN conference
Indonesia	Participation in Batur geopark inauguration and Indonesian Geopark workshop
Indonesia	Support mission for Indonesian Aspiring geoparks (Gunung sewu, Lombok, Rajah Ampat)
Vietnam	Support mission for Dong Van Geopark
China	Revalidation mission of Songshan Geopark
China	Support mission and conference for Ningde Geopark
Tanzania	Support mission for Ngorongoro Aspiring geopark
Greece	Lesvos-participation in the Geopark intensive course
2013	
France	UNESCO- participation in the 31th CC EGN meeting
Italy	Cilento- participation in the 12th EGN meeting + 32th CC EGN meeting
Korea	Jeju- Participation in the 3th APGN meeting
Japan	Oki – participation in the Japanese Geopark Network meeting
Portugal	Support mission in Arouca Geopark (EU program)
France	Support mission for Bauges Geopark (EU program)
Vietnam	Support mission for Dong Van Geopark
China	Validation mission for Shennongjia Aspiring Geopark
Japan	Revalidation mission of Itoigawa Geopark
China	Participation in the intensive course for African geoparks
Tanzania	Support mission for Ngorongoro Aspiring geopark
Argentina	Participacion in the San Martin de los andes Geopark congress and in the workshop
Greece	Lesvos-participation in the Geopark intensive course
2014	
Spain	Sobrarbe- participation in the 33th CCEGN meeting
Germany	Harz- participation in the 13th EGN meeting + 34 CC EGN meeting
Canada	Stonehammer- participation in the 6th UNESCO GGN conference
Marocco	M'Goun- representening GGN in the M'goun geopark opening ceremony
Portugal	Support mission for Terra de caballeros Geopark
China	Validation mission for Dali Cangshan Geopark
Tanzania	Support mission for Ngorongoro Aspiring geopark
Vietnam	Support mission for Dong Van Geopark + training Ngorongoro team
China	Inauguration of Fangshan Pekin man museum

Greece	Lesvos- participation in the Geopark Intensive course+ support mission Nissioi
Korea	Revalidation mission of Jeju geopark
2015	
France	UNESCO- participation in the 35th CC EGN meeting
Finland	Rokua- participation in the 14th EGN meeting + 35 CC EGN meeting
Mexico	Participation in the Geopark UNESCO/GGN workshop for South America
Nicaragua	Support mission for Rio Coco Geopark project
Tanzania	Several support mission for Ngorongoro aspiring geopark inside EU program
Belgium	Validation mission of Val de Lesse Geopark
Libanon	Validation mission of Shouff Aspiring geopark
Greece	Participation in the Geopark intensive course
China	Support mission and Conference for Ningde Geopark
Japan	San'in- participation in the 4th APGN meeting
Indonesia	Support mission for Cilethu Geopark and Merangi Geopark
2016	
Spain	Participation in the 37th EGN Meeting
UK	Participation in the 7th GGN Conference+38th EGN meeting+1st UGGpC
Japan	Participation in the Japanese Geopark Network + Support mission in Sukarishima and Kirishima AUGGp
China	Participation in the 1st Geopark intensive course (Beijing, January)
China	Participation in the 2nd Geopark intensive course (Beijing, December)
Greece	Participation in the Geopark intensive course
Indonesia	Participation in National Geopark Indonesian course
Indonesia	Revalidation mission of Batur UGGp
China	Revalidation mission of Leiquiong UGGp
China	Participation in the partnership forum in Shennongjian UGGp
Indonesia	Support visit for Indonesian UGGp
Vietnam	Support mission for Cao Bang AUGGp
2017	
Vietnam	Support mission for Cao Bang Geopark
Iran	Support mission for Iranian Geopark policy (February)
Peru	Participation in UNESCO Geopark workshop for South America
Tanzania	UNESCO support mission for NLAUGGp
Ireland	Participation in 39th EGN meeting
Tanzania	Poltical visit exchange for NLAUGGp (May)
Azores (Pt)	Participation in the 40th EGN meeting + 14th EGN conference
China	Participation in the 6th APGN meeting + 2nd UGGCp Council
Iran	Support mission for Iranian Geopark policy (October))
Vietnam	Support mission for DVUGGp
Indonesia	Support visit on 4 Indonesian Aspiring Geopark
