3. GEOPARK ACTIVITIES

Major achievements in 2020:

- Participation in the making of a documentary about climate change in Spain with one of the most important multimedia companies (Movistar+).
- Launching of the Lucien Briet Project, celebrating the 100th anniversary of this important pyreneeist.

Contribution towards GGN - Networking and Participation:

- Participation in the Tourism Fair FITUR, together with Global Geoparks promoting EGN and GGN.
- Participation in the new magazine 2020 on the Spanish Global Geoparks
- Participation in all the digital events and meetings of the GGN, EGN and Spanish Forum.
- Publication in EGN and GGN Newsletters and in EGN and GGN websites
- Networking with another UGGp on common educational programs
- Invitation to Causses du Quercy UGGp to give presentations during the Sobrarbe-Pirineos UGGp EGN Week
- Participation in the Education Working Group of EGN.

Management and Financial status

- Maintenance of the same budget and management structure as in previous years

Geoconservation

- Continuation of our Geoconservation campaign and collaborations in many regional media.

Sustainable tourism (Geotourism)

- Promotion of consumption of craft food products of the Geopark among tourists.
- Active collaboration in the frame of the Spanish Ecotourism Club, of which we are members.

New Education programmes on geoconservation, sustainable development and disaster risk reduction

- Program for the Geopark’s primary and secondary schools, this year without guided visits and new educational written materials.
- Launching a new fieldtrip on natural risk in mountain areas addressed to high school students.

Strategic Partnership
• Spanish Geological Survey
• Regional Mountain Clubs

**Promotional activities**
