Geoconservation

- Construction of a new environmentally friendly metal framed bridge, at Geosite 3 (Maroulena river bed) with a wooden floor and railings, supported on two concrete bases on either side of the river bank that are cladded with local rocks.

Sustainable tourism (Geotourism)

- Troodos Development Company (TDC) is implementing a project INTERREG GREECE-CYPRUS “GEOTOURISM IN INSULAR GEOPARKS” with acronym GEO-IN in collaboration with the Forestry Department in Cyprus and other Greek Insular Geoparks such as Lesvos,
Sitia, Psiloritis. The activities of TDC within the framework of this project are focused on geotourism activities and workshops such as local gastronomy, hospitality, ecological and environmental tourism and local restaurants. The project also focused on promoting and creating infrastructures for cycling tourism in Troodos Geopark and more educational material for Troodos Geopark Visitor Centre such as children’s books, 4D table games, stereoscopes, tool kit and more promotional videos for the area.

New education programs on geoconservation, sustainable development and disaster risk reduction

- “Discover the Museum of the Troodos Geopark Visitor Centre”
- “Educating and Painting the Troodos Ophiolite rocks”.
- “Learning about the Troodos Geopark”.
- “Reaching the peak of Olympus”.

Strategic partnership

- “Geotourism in insular Geoparks” (acronym GEO-IN).

Promotional activities

- Participation in the radio program with Saskia Constantinou who is a Producer/ Presenter at CBC Classic Broadcasting with title "The Troodos UNESCO Global Geopark", November 2021.
- Publishing the 2021 Troodos Geopark Agenda-Diary (for selling)
- Production and sale of various products, traditional products from local companies of the Troodos Geopark area
- Publication of the new geotouristic map of Troodos Geopark area
- Signed a tender agreement with local film producers to create a documentary on the “History of Copper in Cyprus”, which will be completed in 2024
- Field trip at the Troodos UGG for the needs of the 3rd EAGE Eastern Mediterranean Workshop 1-3 December 2021

4. CONTACTS
Manager: Petros Hadjicostas, petros.anet@cytanet.com.cy
Geologist: Dr. Efthymios Tsiolakis, etsiolakis@gsd.moa.gov.cy
