Members: UGGp Odsherred, UGGp Vestjylland and aUGGp Det Sydfynske Øhav

3. ACTIVE APPLICATIONS

Active application in your country: -

Territories that you are advising: -

4. ACTIVITIES

2022 saw the initial stages of actually establishing a national forum for geoparks in Denmark.

We met at three occasions and included the aspiring geopark in Fyn in the meetings.

We are in close connection with the national committee to UNESCO in Denmark in this process.
